TESTED FOR YOU BY

(Verification in compliance with ISO 9001 quality certification requirements)

UNA ESPERIENZE

Last updated **2026**

PURPOSE OF THE SHEET

This sheet aims to provide reliable information on the accessibility of the structure, to support an informed choice by the guest.

It does not constitute certification of total absence of barriers, as the evaluations must always be related to individual needs.

VERIFICATION METHOD

The information reported derives from an on-site check and describes the state of accessibility detected on the date indicated at the bottom of the sheet.

UPDATES AND CONFIRMATIONS

Over time, some features, services or equipment of the structure may change.

For this reason, when booking, it is always advisable to request confirmation of specific accessibility needs.

COPYRIGHT

All texts, information and photographic images contained in this sheet are the property of Handy Superabile.

Reproduction, even partial, is prohibited without the explicit consent of the author.

Description
Leone Blu Suites | UNA Esperienze is a refined historic residence located in the prestigious Palazzo Ricasoli, in the heart of Florence, a few steps from Ponte Vecchio, Piazza della Signoria and the Duomo. The elegant suites, overlooking the Arno or Piazza Carlo Goldoni, combine the charm of history with contemporary comfort, thanks to a skilful balance between designer furnishings and precious period elements. The exclusive atmosphere of the structure is enriched by the strong bond with the Ricasoli family, whose symbol, the Blue Lion, characterizes the rooms and recalls the tradition and prestige of one of the most important Florentine noble families.

BRIEF DESCRIPTION OF THE FACILITIES BY TYPE OF SPECIAL NEEDS	
	**MOTOR DISABILITIES** TRANSFERS: For transfers in the city, it is advisable to consult the guide " How to get to and around Florence, at the following link: https://www.handysuperabile.org/wp-content/uploads/2019/11/Come-arrivare-e-spostarsi-a-Firenze_copia-protetta.pdf ENTRANCE: reachable on the flat. COMMON AREAS: The hotel is located on the upper floor, reachable by lift: width 74 cm, internal width 104 cm, depth 117cm, external call key 104, internal 120/140, Braille and audio keys. In the elevator, press button 2. On the floor of the structure, the path to the reception is flat. The external call button on the hall floor has a height of 120 cm. From the elevator door to the hall there is a door that can be opened with a magnetic card at a height of 125/130 cm. The door has an internal opening, with a lever handle and a clear opening of 84 cm The hotel can be used in the main common areas through flat paths. The path from the reception to the smaller breakfast room is carpeted and has a small ramp 185 cm long, over 200 cm wide and 2.8% slope. The larger breakfast room overlooking the Arno has parquet flooring and can be reached on the flat with a threshold step of 2 cm internally. ROOMS: The entrance door of the Chamber has a width of 80 cm, while that of the bathroom has a useful width of 62 cm and the sanitary ware (toilet) do not have handles on the sides; floor-level shower with a central opening of about 60 cm. COMMON TOILETS The accessible common toilets are located on the same floor a few meters from the reception. The path is flat but the carpet can hinder the reach. The toilet is without grab bars and flexible shower to the side of the toilet.

	**BLIND & VISUALLY IMPAIRED** GUIDE DOG: submit the request at the time of booking TACTILE SIGNALS loges/vector system, and different colors near change of direction and steps or ramps: not present TOUCH PANELS/MAPS: not present ELEVATOR KEYPAD: embossed

INTERNAL PATWAYS AND COMMON SERVICES

Internal pathways

Approximate distances from the room visited and intended for customers with disabilities to the various main common areas

From **the ROOM** visited to the **ENTRANCE (ELEVATOR FLOOR 1°)** 15 meters

From **the ROOM** visited to the **BREAKFAST ROOM (large)** 1 m. **BREAKFAST ROOM (small)** 8 m.

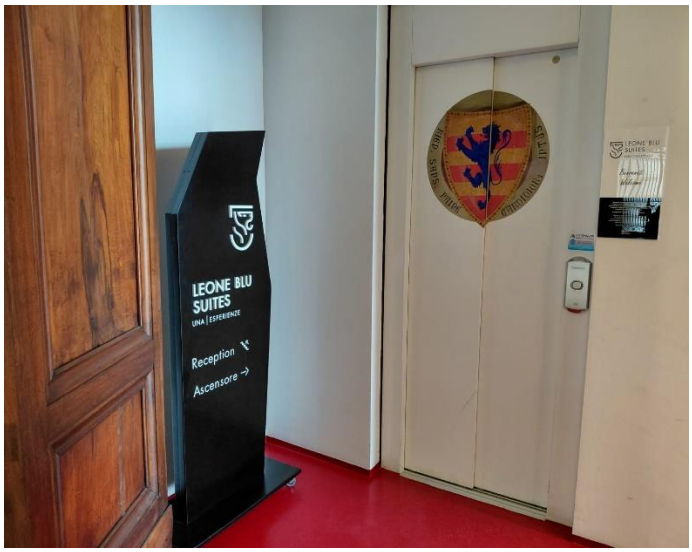

From the **main ENTRANCE** to the **HALL/RECEPTION**

From the main entrance you enter an atrium, encountering a beautiful hall with tiled flooring where you will find the stairs leading to the upper floors and a front door that directs you to the elevator.

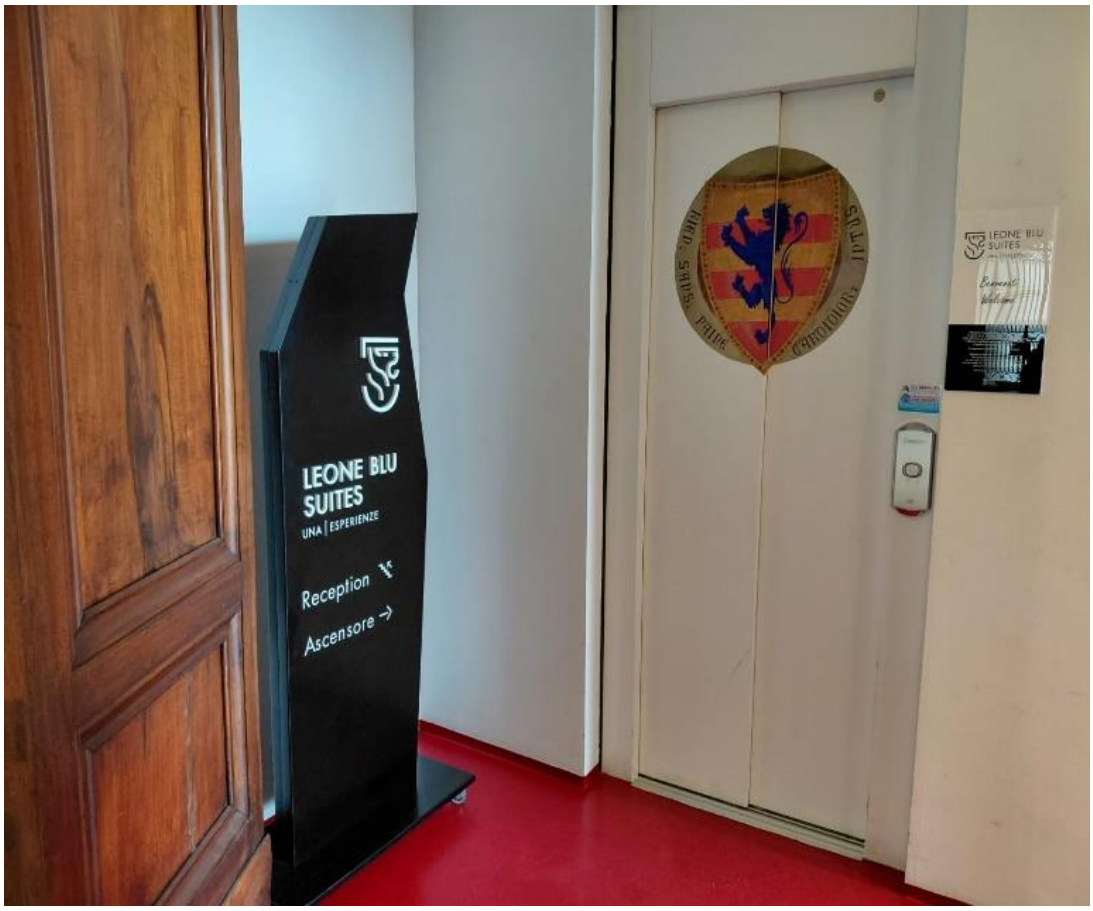

From the **secondary ENTRANCE** to the **HALL/RECEPTION**
From the secondary entrance you enter an atrium that leads us after a few meters immediately to the elevator

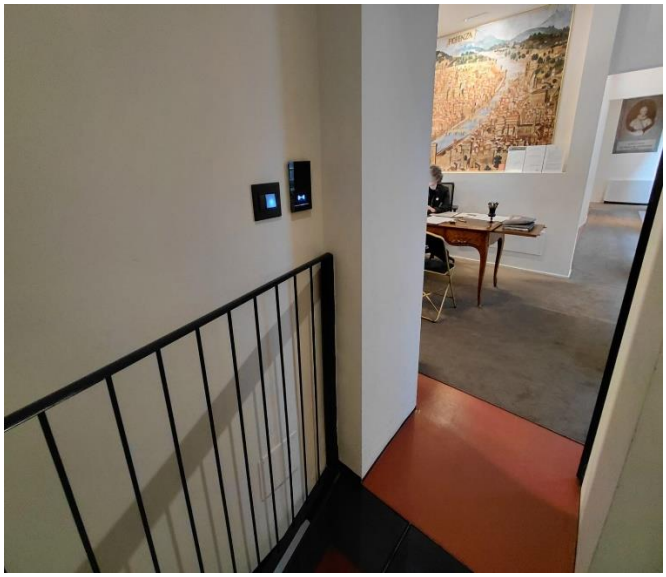

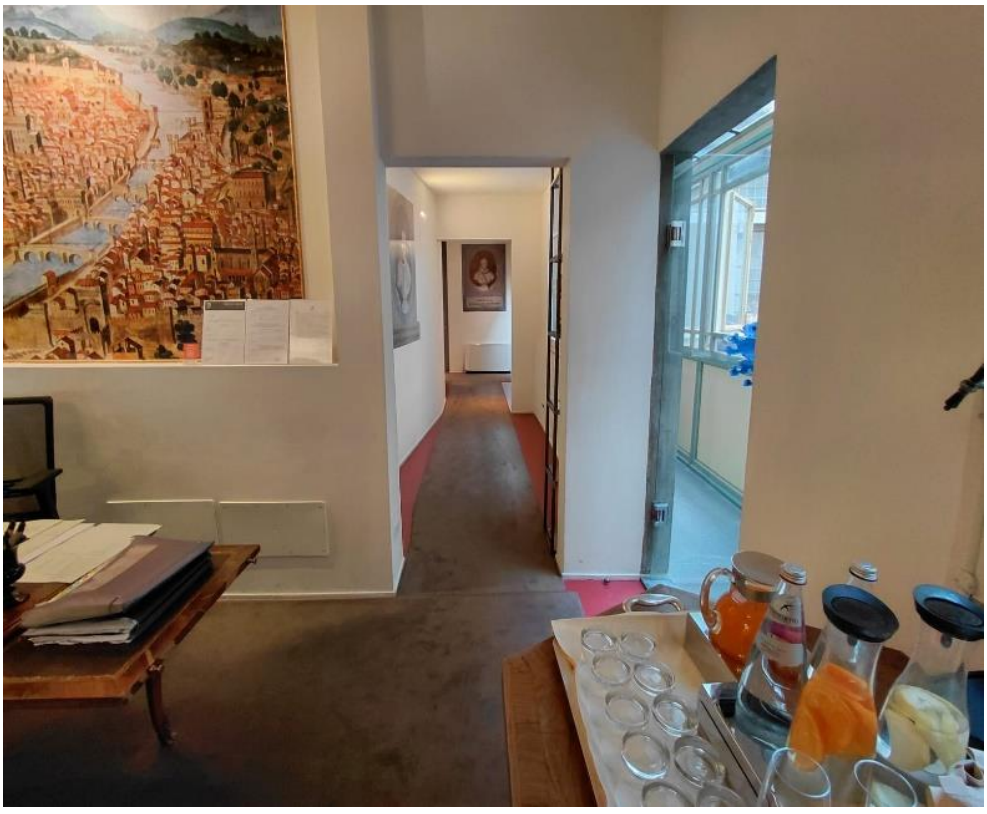

Once you reach the 1st floor, there is a corridor with an entrance door 84 cm wide and an internal door opening. On the left side of the corridor there is the device for the magnetic card at a height of 125/130 cm which allows access internally.

From **the ROOM** visited to the **HALL/RECEPTION**

From the bedroom, turn into the right corridor and walk along it for about 5 meters. The corridor has a carpet that could obstruct the passage of the wheelchair.

From **the ROOM** visited to **the BREAKFAST ROOM 1**- Bettino and Mirrors Hall
Leaving the room, turn immediately to the left

From **the ROOM** visited to **the BREAKFAST ROOM 2**
From the bedroom, continue ahead and turn into the corridor on the left. The breakfast room is accessed by passing through a round arched door and through a ramp 185 cm long, over 200 cm wide and with a slope of 2.8%. The corridor has a carpet on the ground that could obstruct the passage of a wheelchair.

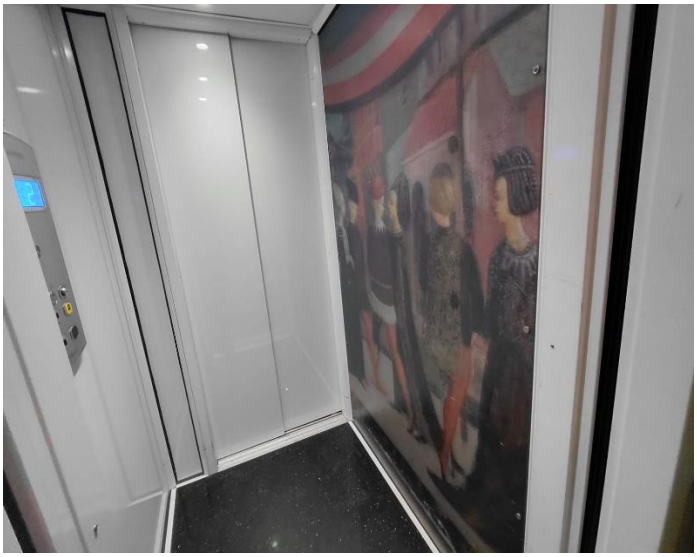

From **the ROOM** visited to the **COMMON TOILET**

From the bedroom, turn into the corridor on the right and about 1 meter away is the toilet. The corridor has a carpet on the floor that could obstruct the passage of the wheelchair.
